

Jackie Beckwith is a Manager of Advocacy and Government Relations at the Association for Unmanned Vehicle Systems International (AUVSI). In this role, she is responsible for building and executing the Association's commercial and defense unmanned ground vehicle advocacy portfolio. Jackie also manages the association PAC and leads coalition relationships. Prior to AUVSI, Jackie worked at the American Trucking Associations, the American Chemistry Council, and what is now known as the American Clean Power Association. She holds a Masters in Political Management from George Washington University, attended undergraduate school at Gettysburg College, and will be starting law school part time in the fall of 2022 at George Mason University.
